ATI makes easy for students to make semester payments online.

### To Make a Semester Payment:

- In order to make a semester payment, you must have an ATI Account. Navigate to [.atitesting.com](http://atitesting.com) and sign-in using your ATI Username and Password.
- Once you are on your Student Home page, click on the "Payments tab".
- This will take you to the following screen.

The screenshot shows the ATI Student Home interface. At the top left is the ATI logo. To the right are navigation links: Home, Online Store, Contact Us, MEDS Publishing Account, and Logout. Below this is a blue navigation bar with tabs for Student Home, My eLearning, My Results & Remediation, Payments (highlighted), and Demos. A light blue banner below the navigation bar contains the text: "Pay for institution product access and track individual purchases." with a "Show me more" button. Below the banner are two tabs: Semester Payments (highlighted) and Order History. The main content area has the heading "Pay online for access to products made available through your institution." Below this is a form with two input fields: "Payment Code:" and "Class:", followed by a "Submit" button. The form is highlighted with a red border. Below the form is a note: "Note: If your institution has not instructed you to pay online and has not provided you a semester payment code, then you are not required to pay online. If you have forgotten your semester payment code, please contact your instructor. Verify that your institution is correct. If not, click on the Edit Profile link found in the My Account section of the Student Home page to correct your institution." At the bottom of the page, there is a copyright notice: "Copyright © 2009 Assessment Technologies Institute®, LLC. All rights reserved." and a row of links: About ATI, Advisory Board, Privacy Policy, and Technical Requirements.

- Enter the payment code and class information provided by your institution and click submit.
- You will then be directed to a receipt for your payment. You will also receive an email confirmation of your payment.
