COMMUNITY HEALTH (COMHL)

DIVISION: Applied Science
 DEPARTMENT: Health Occupations
 DEAN: Danny Nguyen
 Division Chair: Janice Morgan
 PHONE: 408-855-5397
 COUNSELING: Dr. Carol Beck
 PHONE: 408-855-5030

The focus of the Community Health Program is to prepare people to work in community and residential care agencies. Prospective students should make an appointment with the program counselor to clarify career goals and establish an educational plan.

Student Learning Outcomes:

Upon completion of courses in Community Health students will:

1. Identify current community health care issues and community agencies and resources available for issues facing consumers today.
2. Demonstrate the ability to effectively advocate for environmental safety issues while working with clients of diverse ages, cultural backgrounds, intellectual and emotional abilities.

Students will be assessed through examinations, quizzes, research project, and discussion.

Community Health Worker - A.S. Degree and Certificate of Achievement

The Community Health Worker is a member of the health care team who acts as a bridge between health care facilities and the people requiring health services. Duties include sharing information with community groups and clients so that they may utilize a variety of health care services; teaching preventive health measures; and using clinical skills and knowledge to interpret and extend health services to groups in need of care.

Only courses completed with a grade of C or better may be used to satisfy requirements for a certificate.
