Community & Continuing Education Classes

Healthcare Training Programs

According to the Bureau of Labor Statistics, the health care industry is experiencing accelerated growth and workers with health care knowledge and skills are in high demand. Community Education is offering a few introductory training classes and programs that can help you get started or enhance your career in health care. **Imagine...** a career in the exciting and booming health care industry!

Pharmacy Technician Training Program

The Mission College Pharmacy Technician Training Program has been a leader in pharmacy training for over a decade and can train you to be a pharmacy technician in less than 8 months. We're committed to student success and the development of competent, motivated pharmacy technicians who will become valued assets to the Bay Area pharmacy community.

Our dynamic program starts with 300+ hours of lab, lecture, and group activities and ends with a clinical internship at an assigned pharmacy where students will sharpen their skills alongside trained pharmacy personnel. A dedicated faculty of pharmacists, certified pharmacy technicians, and pharmacy supervisors from various practice settings engage students in a new state-of-the-art lab that is complete with computer stations, a compounding lab, and a full simulation pharmacy. We even offer job placement assistance and career and pharmacy school advising during and after the program.

Ask around or come take a tour, and you'll learn that our program provides the most contemporary, realistic and comprehensive training and career support available in the area! Join us...and invest a few hours a day to start your new pharmacy career. For more information, call 408.855.5131.

Pharmacy Technician Certification Board (PTCB) Exam Prep

Enhance your pharmacy career by preparing to pass the PTCB National Exam. Spend 2 weeks with an experienced instructor and your fellow pharmacy technicians to review and reinforce your knowledge of Pharmacology, Pharmacy Law, Pharmacy Math, etc. We will also discuss the test format, test taking tips, and what to expect so that you will walk into the exam with confidence and prepared for success!

Intravenous Therapy & Blood Withdrawal Certification

The South Bay Regional Health Occupations Resource Center (RHORC) at Mission College continually enhances workforce development in the health care industry through education and training. This 36 hours course prepares the Licensed Vocational Nurse in IV Therapy and Blood Withdrawal. The course content includes 27 hours of theory and 9 hours of clinical experience. Students will have the opportunity to practice techniques in the Health Occupations Skills Lab. Mission College IV Therapy and Blood Withdrawal 36-hours course approved by the California Board of Vocational Nursing and Psychiatric Technicians. For more information, call 408.855.5216.

Court Mandated Programs

Drug Diversion, Anger Management and Health Education

The Community Education Office at Mission College serves more than 5,000 students annually, including those who seek classes in drug, alcohol, and wellness education.

For the past 15 years, Community Education has worked with the Santa Clara County Courts and Probation Departments to provide quality classes such as Minors in Possession, Marijuana and other substance use and abuse, and Anger Management. All classes are held on the Mission College campus and are conducted by Licensed Psychotherapists and Marriage and Family Therapists with private practices in couples and drug counseling, working with minors and adults. Community & Continuing Education Classes

Noncredit State-Funded Courses

Community Education offers a number of non-credit classes for our community designed to meet the special needs, interests and capabilities of students who do not desire college unit credit. Although non-credit courses are based on college approved curriculum and taught by qualified instructors, they differ from credit courses in some respects. Non-credit courses are:

- FREE of charge (some classes have a small materials fee)
- Open to all students of the community without residency requirements
- Open-entry/open-exit and students may register anytime during the school year (provided that space is available)
- There are no tests, quizzes or letter grades given
- Registration is quick and easy through the Community Education department.

Currently, we offer classes in the areas of Parent Education, Older Adult Education (seniors 55+), and Basic Skills (Reading, Library Skills). Please check our class listing in this section and throughout the Schedule of Classes for non-credit class offerings.

Older Adult Program

These courses are free for seniors and offered at numerous senior centers, community centers, residential care homes, and convalescent hospitals year-round. While these courses are offered primarily for senior citizens at locations and times convenient to them, they are open to all persons.

The purpose of the program is to enable the older adult to have a better understanding of self-management. In addition, seniors are able to increase their awareness of consumer resources, improve their mobility through fitness classes, and to enrich their learning potential by participating in individual development classes.

Classes are provided under four general categories:

Art for Seniors - Art classes ranging from fine arts such as painting and history of art to classes in arts, crafts and art appreciation.

Individualized PE - Adaptive exercise are conducted for general body conditioning with a focus on the capabilities of aging.

Music - Classes are available in music, music history and appreciation, and music therapy.

Senior Preparedness - Classes are offered in areas such as current events and consumer resources.
