The Muslim World:

Past, Present, and Future

By: Mehrzad Karimabadi

Interested in learning about the history and basic tenets of the fastest growing religion in America? We'll present the basics and then focus on Islam as it relates to our contemporary world and discuss its impact on global politics.

You are going to explore the following topics and more:

- Muslim Beliefs
- Islam in America
- Islam Around the World - Overview
- Islam and Other Faiths
- What is Jihad?
- Women in Islam

Optional mosque visit.

Mehrzad Karimabadi, Designated Body Member,
Islamic Cultural Center of Northern California.
