

MISSION COLLEGE
CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION-BREADTH
2009-2010

The CSU General Education Breadth (CSU GE-B) is a 39-unit general education program that allows California Community College students to fulfill lower-division GE requirements for the CSU. As a transfer student, you should: (1) Meet with a counselor to create an **EDUCATIONAL PLAN** that will assist you in identifying appropriate major and GE requirements; (2) Request a **CSU GE-B CERTIFICATION** when you request final transcripts to be sent to your transfer institution; and (3) With a counselor's assistance, determine whether you are eligible for an Associates Degree.
