

**MISSION COLLEGE**  
**INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM**  
**2009-2010**

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education program which allows California Community College students to fulfill lower-division general education (GE) requirements for either the CSU or UC system without the need, after transfer, to take additional lower-division GE requirements. As a transfer student, you should: (1) Meet with a counselor to create an **EDUCATIONAL PLAN** that will assist you in identifying appropriate major and GE requirements; (2) Request an **IGETC CERTIFICATION** when you request final transcripts to be sent to your transfer institution (PARTIAL CERTIFICATION of the IGETC (maximum of 2 classes remaining) is allowed although a full completion prior to transfer is highly recommended); and (3) With a counselor's assistance, determine whether you are eligible for an Associates Degree. **All courses must be completed with a "C" or better to receive IGETC certification**
