PERIODICALS - IN PRINT

The current year's issues are in the Periodical Display area of the Library. Older issues can be requested at the Circulation Desk.

<i>American Journal of Nursing (AJN)</i>	Past 5 years
<i>JOGNN: Journal of Obstetric, Gynecologic and Neonatal Nursing</i>	Past 5 years
<i>Journal of Gerontological Nursing</i>	1997 - current
<i>Nursing</i>	1994 - current

PERIODICALS - ONLINE

The library subscribes to several online collections (databases) of articles. These databases can be accessed from the Library's homepage by clicking on the "Find articles and more" link (http://www.missioncollege.org/lib/database_top.html). Note that in order to access databases from off campus, you must be a current student. The most useful databases for nursing and medical information are listed below.

Health Reference Center

Medical resources targeted at consumer use.

Nursing & Allied Health Collection

A collection of magazines and journals on the topic of nursing and allied health.

Nursing Resource Center

Designed for nursing students, it brings together disease and drug overviews, care plans, relevant journal results and animated anatomy and physiology diagrams to complement the core encyclopedia texts.

OVID

Full text access to *American Journal of Nursing*, *Home Healthcare Nurse*, *Nursing*, *Nursing Critical Care*, and *Nursing Made Incredible Easy!*

INTERNET

The quality of medical information on the Internet varies. Check the credentials of the authors of web pages to ensure that the information is reliable. For additional recommended Internet sites on Government Health Research, Nongovernmental General Health Research, Bioethics, Diseases, Disabilities, Drugs and Medications, Multicultural Health Issues, Medical Journals and Databases, Nursing and Allied Health, Women's Health Issues see the library's guide to **Health Information on the Web** (<http://missioncollege.org/lib/quickguides/healthguide.html>)

General Health & Government

Aetna IntelliHealth– <http://www.intelihealth.com/> Supported by Harvard Medical School.

Mayo Clinic Health Oasis – <http://www.mayoclinic.com/>

National Library of Medicine (NLM) – <http://www.nlm.nih.gov/>

Provides several databases, including the largest medical database: Medline and MedlinePlus.

Nursing Organizations

American Nurses Association – <http://www.nursingworld.org/>

California Board of Vocational Nursing & Psychiatric Technicians – <http://www.bvnpt.ca.gov/>

California Nurses Association – <http://www.calnurse.org/>

Licensed Vocational Nurses League of California -- <http://www.lvnlofca.com/main.html>

National Coalition of Ethnic Minority Nurse Associations – <http://www.ncemna.org/>

National League for Nursing – <http://www.nln.org/>

Sigma Theta Tau International (Honor Society for Nursing) – <http://www.nursingsociety.org/>
